DETAILED TECHNICAL SPECIFICATIONS

Procurement of Generative AI (Copilot) Subscription

I. RATIONALE:

The Philippine Competition Commission (PCC) seeks to procure a Generative AI (Copilot) subscription to enhance organizational productivity, improve operational efficiency, and support data-driven decision-making across its offices. By leveraging artificial intelligence-powered capabilities, the subscription will assist personnel in drafting documents, summarizing information, analyzing data, generating insights, and automating routine tasks while maintaining compliance with applicable security and governance requirements.

The adoption of a Generative AI (Copilot) solution aligns with the PCC's digital transformation initiatives by enabling employees to work more efficiently, improve the quality and consistency of outputs, and optimize the use of existing productivity tools. The solution is expected to strengthen collaboration, accelerate the completion of administrative and technical tasks, and support the Commission in delivering responsive and effective public service.

II. OBJECTIVES:

1. Procure a secure, reliable, and enterprise-grade Generative AI (Copilot) subscription for the Philippine Competition Commission (PCC).
2. Enhance employee productivity and operational efficiency by providing AI-powered assistance for content creation, document drafting, summarization, data analysis, research support, and other work-related tasks.
3. Enable seamless integration with the PCC's existing productivity and collaboration tools to improve workflows, communication, and knowledge management across the organization.
4. Ensure that the Generative AI solution complies with applicable security, privacy, and governance requirements while providing technical support, regular updates, and continuous service availability throughout the subscription period.
5. Support the PCC's digital transformation initiatives by equipping its personnel with innovative AI capabilities that promote efficient service delivery, informed decision-making, and continuous organizational improvement.

III. SCOPE OF WORK:

The winning bidder shall provide the Philippine Competition Commission (PCC) with Microsoft 365 Copilot subscriptions and a Microsoft 365 Copilot Studio (Tenant) subscription, including the corresponding AI capacity credits, for a subscription period of twelve (12) months.

The scope of work shall include, but not be limited to, the following:

Supply and provision of the required Microsoft licenses in accordance with the approved Technical Specifications, including:

- Three (3) Microsoft 365 Copilot subscriptions;
- One (1) Microsoft 365 Copilot Studio (Tenant) subscription; and
- One (1) Microsoft Copilot Studio Capacity equivalent to 25,000 AI credits for the twelve (12)-month subscription period.

Provisioning and activation of all subscriptions under the PCC's existing Microsoft 365 tenant, ensuring compatibility with the Commission's current Microsoft environment and ICT infrastructure.

Configuration and deployment assistance to ensure that the Microsoft 365 Copilot and Microsoft 365 Copilot Studio subscriptions are properly enabled and accessible to authorized PCC users.

Support the initial setup of Microsoft 365 Copilot Studio, including the configuration of the tenant environment necessary for the development, testing, and deployment of AI-powered agents (chatbots), as may be required by the PCC.

Ensure that the subscriptions are fully integrated with the PCC's existing Microsoft 365 services and that all licenses remain active throughout the subscription period.

6. Provide technical support during the subscription period for subscription-related concerns, license management, service activation, and issue resolution, including coordination with Microsoft, when necessary.

7. Provide updates, patches, and service improvements released by Microsoft that are included as part of the active subscription, at no additional cost to the PCC.

8. Designate an authorized technical representative or account manager who shall serve as the primary point of contact for subscription administration, technical assistance, and service coordination throughout the contract period.

9. Deliver all subscriptions, licenses, and related services in accordance with the terms and conditions of the contract, including applicable service levels, licensing requirements, and other obligations specified in the Technical Specifications.

10. Comply with all applicable Microsoft licensing policies and ensure that the subscriptions provided are genuine, valid, and authorized for use by the Philippine Competition Commission.

IV. INFORMATION SECURITY AND DATA PRIVACY MANAGEMENT SYSTEM (ISDPMS)

To ensure the Philippine Competition Commission (PCC) maintains a high standard of information security when engaging with third-party providers, all suppliers are required to comply with the established PCC Information Security Management System (ISMS). These requirements are outlined in the Supplier Security Policy (POL-PCC-GSD 02-03) and related ISMS policies and procedures.

All data, documents, records, configuration files, and metadata (collectively referred to as "Information") provided to the supplier(s) for the purpose of delivering services are considered confidential and remain the exclusive property of PCC. The supplier(s) shall recognize the critical importance of maintaining the security and confidentiality of the Information and agree to prevent its unauthorized transfer, disclosure, or use by any third party. The supplier(s) shall not use the Information for any purpose other than to perform the agreed-upon services. Furthermore, the supplier(s) shall ensure that, upon completion of the service, they will not retain any portion of the Information in any form whatsoever.

The following must be submitted after the issuance of Notice of Award or Purchase Order or Job Order:

A. Notarized Non-Disclosure Agreement
B. Notarized Data Sharing Agreement (if applicable)
C. Project Risk Management Plan (if applicable)

The documents will be submitted to the ISMS Secretariat in compliance with the approved PCC Information Security Management System, and will not form part of the submission for payment processing.

V. APPROVED BUDGET FOR THE CONTRACT (ABC)

The ABC for the project is **FIVE HUNDRED EIGHTY-EIGHT THOUSAND PESOS ONLY (Php 588,000.00),** inclusive of all applicable government taxes and service. The contract price shall include all the costs and profits

arising from the or in relation to the services rendered in connection with the engagement and until the end of the contract.

Bids received exceeding the ABC shall be automatically disqualified/rejected.

VI. QUALIFICATION OF THE SERVICE PROVIDER

The Service Provider shall possess the necessary legal, technical, and professional qualifications to provide the required Microsoft subscriptions and related services. At a minimum, the Service Provider shall meet the following requirements:

1. Must be a registered business entity duly organized and existing under Philippine laws.
2. Must be registered with the Philippine Government Electronic Procurement System (PhilGEPS) and be in active status to be eligible to participate in the bidding process.
3. Must be an authorized Microsoft Cloud Solution Provider (CSP), reseller, distributor, or solution provider with the legal authority to sell, provision, and manage Microsoft 365 Copilot and Microsoft 365 Copilot Studio subscriptions in the Philippines.
4. Must have the technical capability and qualified personnel to provision, configure, and provide technical support for the required Microsoft subscriptions throughout the contract period.
5. Must provide genuine and legally licensed Microsoft subscriptions that are eligible for activation under the Philippine Competition Commission's existing Microsoft 365 tenant.
6. Must provide technical support during the twelve (12)-month subscription period, including assistance in resolving subscription-related issues and coordination with Microsoft, when necessary.
7. Must not have any record of blacklisting by any government agency at the time of bidding, in accordance with existing government procurement laws, rules, and regulations.
8. Must comply with all applicable laws, government regulations, Microsoft licensing policies, and other requirements relevant to the procurement and delivery of the required subscriptions.

VII. TECHNICAL SPECIFICATIONS:

Minimum and/or equivalent functional requirements, technical specifications, features, characteristics and numbers.

A. Subscription period of twelve (12) months.
B. Full integration with Microsoft 365 Suite
C. Compatibility with PCC’s existing IT Infrastructure
D. Provide the following quantity:

Subscription	**Quantity**
Microsoft 365 Copilot	3
Microsoft 365 Copilot Studio (Tenant)	1
Microsoft Copilot Studio Capacity equivalent to 25,000 AI credits for the 12-month subscription period	1

VIII. DELIVERY TERMS

Must complete the setup and provisioning within fifteen (15) calendar days from receipt of Notice to Proceed, and/or Job Order.

IX. MODE OF PROCUREMENT:

The mode of procurement shall be **Small Value Procurement**, provided under the Implementing Rules and Regulations (IRR) of Republic Act (R.A.) No. 12009.

X. PAYMENT SCHEME

Payment shall be **ONE TIME PAYMENT**. The PCC shall pay the service provider within fifteen (15) working days upon receipt of the original signed Statement of Account, or billing statement, supported by Certificate of Completion and/or Certificate of Satisfactory Service Rendered to be issued by the end-user.

Payment shall be released and claimed within the PCC premises or credited to the Service Provider's bank account, net of applicable bank transfer charges.

XI. LIQUIDATED DAMAGES:

If the Supplier fails to satisfactorily deliver any or all of the goods and/or perform the services within the period specified in the contract, the Procuring Entity shall, without prejudice to its other remedies under this contract and under the applicable law, deduct from the contract price as liquidated damages, the applicable rate of one-tenth (1/10) of one percent (1%) of the cost of the unperformed portion for every day of delay. If the cumulative amount of liquidated damages reaches ten percent (10%), the Procuring Entity reserves the right to rescind the contract, without prejudice to other courses of action and remedies open to it.

XII. DISPUTE AGREEMENT / RESOLUTION:

Should any dispute related to the Contract and/or rights of the parties arise, the same shall be submitted to mutual consultation, mediation and

arbitration, in the order of application. The venue of the proceedings shall be in Quezon City.

In case of a court suit, the venue shall be the courts of competent jurisdiction in Quezon City, to the exclusion of all other courts; and

Any amendments and additional terms and conditions of the Contract must be in writing, signed and acknowledged by the Parties.
