BIDS AND AWARDS COMMITTEE

SUPPLEMENTAL BID BULLETIN NO. 01
04 May 2026

Supply and Delivery of Brand-New Laptop Computers for the Philippine Competition Commission

Invitation to Bid No. 2026-04-0046

The PCC Bids and Awards Committee hereby include, revises, amends, deletes and/or adapts the following provisions in the Invitation to Bid:

Section	Original Provision / Requirement	Revisions / Clarification
Section VII. Detail Technical Specifications	Security Chip Setting • TPM 2.0, Business-Grade BIOS, Fingerprint Sensor	Security Chip Setting • TPM 2.0, Business-Grade BIOS, Fingerprint Sensor • This requirement ensures dedicated biometric authentication for device access, strengthening security, and user verification. An IR camera with Windows Hello is not currently implemented in PCC infrastructure as a substitute for a fingerprint sensor.
		• Business-grade BIOS (or UEFI) systems go beyond basic hardware initialization found in consumer PCs, offering advanced security, manageability, and stability features essential for corporate environments.
	Keyboard • Backlit, Spill-Resistant	Keyboard • An explicit declaration or certification of spill resistance is not required for compliance. It is sufficient that the product's spill-resistant feature is clearly indicated in its brochure.
	Weight • Not more than 1.40 kg (3.08 lbs.)	Weight • The weight requirement will be adjusted to 1.5 kg (3.30 lbs.)

Amendments/inclusions/clarifications made herein shall be considered an integral part of the Bidding Document.
