PROVISION OF COURIER SERVICES FOR THE PHILIPPINE COMPETITION COMMISSION (PCC) OUTGOING DOCUMENTS FOR C. Y. 2021

I. Rationale

The Philippine Competition Commission (“PCC” or the “Commission”) is an independent quasi-judicial body created to promote and maintain market competition by regulating anti-competitive conduct. The main role of the PCC is to ensure fair competition in the market for the benefit of consumers and businesses.

For the Commission to properly serve its clientele, both internal and external, it needs to engage the services of a qualified courier service provider to perform efficient, timely, and secured delivery of its official documents and relevant materials (the “Service Provider”).

II. Scope of Services

The Service Provider shall provide courier services for the PCC. To this end, it shall perform the following functions and responsibilities:

1. Door-to-door collection and delivery of documents. Service Provider representative must pick-up the parcels from the PCC office and deliver documents to the specified address.
2. Must have an assigned servicing branch and at least one (1) alternate branch to execute the terms in the contract agreement between PCC and the Service Provider. If both the main and alternate branches are unavailable, the Service Provider must immediately endorse the PCC to another servicing branch with the same terms as stated in the contract.
3. Ensure **on-time delivery** of mails and documents in **all cities and municipalities** covered by the Service Provider within the National Capital Region, Luzon, Visayas, Mindanao, and international destinations based on the schedule of requirements issued by the Records Unit of the PCC’s General Services Division.
4. Provide real time mobile or online document tracking system and should have an assigned point person that will handle the account and all the necessary transactions of the PCC with the courier Service Provider.
5. Delivery of PODs or other forms of verification to PCC shall incur no additional charges. The veracity of the information stated in the summary of the PODs shall be duly certified by the Head of the Service Provider or its authorized representative.
6. Undertake **at least two (2) attempts** to deliver the mails and documents coursed through it. If undelivered after the first attempt, the Service Provider shall immediately notify the PCC and wait for its instructions. The PCC may then **modify** the delivery details (e.g. different floor/unit but same building, or different recipient but same address, etc.) to aid in the second attempt to deliver the documents, **without additional cost** unless such

modification resulted to a new delivery address. If it remains undelivered, the Service Provider shall return the documents to the PCC, stating a justifiable reason and proof for non-delivery thereof. If unable to return the undelivered parcels/return to sender (RTS) mails to PCC, the Service Provider must submit a notarized affidavit of loss. Said items shall also be deducted from the Statement of Account (SOA).

7. The delivery schedule or schedule of requirements provided below may be modified anytime at the option of the PCC, provided that the Service Provider be given notice of such modification one (1) week prior to the effectivity of the modification.
