TECHNICAL SPECIFICATIONS

Supply, Delivery, and Installation of Heat Reflective Film on the Perimeter Glass Windows of the PCC Executive Offices and Function Hall

I. Rationale

The Administrative Office - General Services Division (AO-GSD) provides general support services to ensure the functionality, safety, and proper upkeep of the PCC office facilities.

To promote productivity and provide a sound working environment for the employees in the workplace, the AO-GSD, as the End-user, intends to improve the perimeter glass windows of the offices of the Chairperson, the Commissioners, Executive Director and Function Hall on the 25th floor to mitigate the high temperature within the window perimeters with direct sunlight, especially during the summer month.

Thus, a Service Provider for the Supply, Delivery, and Installation of Heat Reflective Film on the Perimeter Glass Windows of the PCC Executive Offices and Function Hall (“Project”) shall be engaged by the Procuring Entity.

II. Technical Specifications

Material	Film or paint coating
Total Perimeter Glass Window Surface Area	804 sq.ft.
Visibility	Clear or almost clear
Ultraviolet (UV) Rejection	At least 99.00%
Infrared (IR) Rejection	At least 65%

III. Scope of Services

- A. The Service Provider shall perform the following functions and responsibilities:
1. Submit the product data sheet and sample material to the authorized representative/s of the End-user prior to the commencement of work for proper documentation and reference.
 2. Ensure that the necessary documents (e.g., gate passes, work permits, job hazard analysis, list of personnel & equipment) are in place prior to performing the works of the Project;
 3. Provide all the necessary materials, tools and equipment for the completion of the Project;

4. Perform the necessary work activities during weekends (Saturdays and Sundays) from 8:00 AM to 8:00 PM or weekdays (Monday to Friday) from 6:00 PM to 6:00 AM, subject to proper coordination and approval by the End-user;
5. Ensure that noisy works, if any, shall be minimal, always maintain a clean work area, contain all debris and generated wastes within the work area and ensure proper disposal after every work day;
6. Conduct a joint inspection with the End-user to ensure satisfactory work has been rendered.

B. The End-user shall perform the following functions and responsibilities:

1. Submit the necessary documents to the VNCC building management for approval of necessary permits received from the Service Provider prior to the commencement of activities for the Project;
2. Monitor the activities during contract implementation of the Project; and
3. Issue a Certificate of Satisfactory Services Rendered (CSSR) after the duration/completion of the project.

IV. Schedule of Requirements and Contract Duration

No.	Work Activity	Duration
1	Mobilization	Within two (2) calendar days from the Service Provider's acceptance of the Job Order (JO)
2	Installation of Heat Reflective Film on the Perimeter Glass Windows	Within eleven (11) calendar days after the completion of the Mobilization
3	Joint inspection and Demobilization	Within two (2) calendar days after the completion of the Installation of Heat Reflective Film on the Perimeter Glass Windows
Total Duration		Fifteen (15) Calendar Days

The contract period shall be for a period of thirty (15) calendar days upon acceptance of the Job Order by the Service Provider.

V. Approved Budget for the Contract

The Approved Budget for the Contract is **One Hundred Seventy Thousand Pesos (PhP170,000.00)**, inclusive of all applicable government taxes and service charges, subject to the usual budgeting, accounting, and auditing rules and regulations.

VI. Mode of Procurement

The Mode of Procurement shall be Negotiated Procurement – Small Value Procurement provided under the 2016 Revised Implementing Rules and Regulations of Republic Act No. 9184.

VII. Payment Scheme

The Service Provider shall issue a Statement of Account (SOA) or Billing Statement (BS) upon completion of the following deliverables:

- Submission of the product data sheet and material sample
- Installation of the heat reflective film
- Joint inspection report

The PCC shall pay the Service Provider within fifteen (15) calendar days upon receipt of the deliverables and issuance of a CSSR by the End-user. Payment shall be released within PCC premises.

VIII. Warranty

The Service Provider shall provide a warranty for at least five (5) years on all materials, parts and components of the Project against any defects (such as but not limited to bubbling, delamination, discoloration, peel-off). This warranty shall include replacement of materials, parts and/or components within 10 calendars days after the receipt of the report from the PE, inclusive of all applicable fees at no additional cost to PCC. The warranty period shall commence upon approval and acceptance of the Warranty Security by the Parties.

IX. Liquidated Damages

In case of delay in the delivery of expected service, the amount of the liquidated damages shall be at least equal to one-tenth of one percent (0.001) of the cost of the unperformed portion for every day of delay. Once the cumulative amount of liquidated damages reaches ten percent (10%) of the amount of the contract, the PCC shall rescind the contract, without prejudice to other courses of action and remedies open to it.

X. Dispute Resolution

Should there be any dispute related to the contract and/or rights of the parties, the same shall be submitted to mutual consultation, mediation, and arbitration, in the order of application. The venue of the proceedings shall be in Quezon City.

In case of a court suit, the venue shall be the courts of competent jurisdiction in Quezon City, to the exclusion of all other courts.

Any amendment or additional terms and conditions to the Contract must be in writing, signed and acknowledged by the End-user and the Service Provider (“Parties”).
