Dear **Chairperson Aguinaldo**:

This has reference to the request for reconsideration of the **Philippine Competition Commission (PhCC)** received on February 15, 2023 relative to its rating of 3 on the **Process Results** for the grant of the FY 2021 Performance Based-Bonus (PBB).

The assessment of the AO25 Composite Team on the additional justifications/supporting documents submitted by the PhCC is as follows:

Justification	Assessment
<p>On the non-achievement of ease of transaction for the following services:</p> <ol style="list-style-type: none">1. Provision of Pre-Notification Consultation;2. Evaluation of Letters of Non-Coverage;3. Receipt and Processing of Enforcement-Related Questions and Queries (Via E-mail);4. Issuance of Binding Ruling; and5. Provision of Orientation-Seminar on the Philippine Competition Act and the Philippine Competition Commission under the Competition Orientation Outreach Program. <p>The PhCC reduced the turnaround time for two (2) services: Provision of Orientation-Seminar on the Philippine Competition Act under the Competition</p>	<p>Based on the revalidation of the AO25 Composite Team on May 30, 2023, the justifications provided by the PhCC was accepted, in view of the submitted ISO</p>

Justification	Assessment
<p>Orientation Outreach Program – from 4 working days and 4 hours in FY 2020, to 3 working days and 4 hours in FY 2021 – and the Receipt and Processing of Enforcement Complaints – from 25 days and 4 hours in FY 2020 to 20 days in FY 2021.</p> <p>Further, the agency continued to implement its digitization initiatives from FY 2020 such as the online submission of queries and requests through the website, email, and social media accounts; and the conduct of consultations and appointments via teleconference calls.</p> <p>The PhCC retained its standardization initiatives by maintaining its ISO 9001:2015 QMS certification for the Provision of Competition Policy Formulation, Regulatory and Enforcement Services pursuant to the PCA, Provision of Competition Policy Research, and Advocacy and Capacity Building Services which covers all their reported frontline services.</p>	<p>QMS certification which already covers all processes of the PhCC.</p> <p>Since the PhCC was able to achieve ease of transaction for 7 out 7 (100%) frontline services through streamlining and standardization initiatives – that is the ISO 9001:2015 Certification that covers all frontline services – the agency has achieved a score of 5 for the Process Results based on the FY 2021 PBB criteria in Section 4.2 of the AO25 IATF Memorandum Circular (MC) No. 2021-1.</p> <p>The PhCC is encouraged to review the processes of their frontline services for further improvements.</p>

In view of the foregoing, the PhCC has now obtained **100 points** for PBB Criteria and Conditions as provided in Section 4.0 of the AO25 IATF MC 2021-1 due to the change in its rating on the Process Results. Thus, the PhCC is **eligible** for the grant of the FY 2021 PBB.

However, since the PhCC was found non-compliant with the PhilGEPS Posting agency accountability, the unit/s most responsible (including its head) for the non-compliance should be **isolated** from the grant of the FY 2021 PBB.

Attached is the revised Final Eligibility Assessment and Scorecard of the PhCC.

Thank you very much for your understanding and usual support.

Sincerely yours,

ACHILLES GERARD C. BRAVO
Assistant Secretary, DBM and
Chair, IATF TWG
